Product Variations

Due to our products being handmade there may be some variations with colours and sizes. Where possible, the item will be made as shown pictured, however, we reserve the right to substitute for similar colours and components.

Hand-blown glass product sizes are a guide only, however, where items are ordered in bulk or as part of a set, every effort will be made to ensure they match closely.

Custom Designed products will only be accepted if a bulk order is made or we have made the product before.

Production time for all orders is dependent on order volume and items ordered. An estimate will be given at the time of ordering. Please allow an average 6 week time frame, up to 12 weeks in the run up to Christmas.

Pricing and Payment

All prices shown are retail prices, inclusive of VAT.

Prices are exclusive of shipping or duty and import taxes (if applicable). Shipping is arranged through a third party and Shanga cannot take responsibility for any items lost or damaged in transit.

VAT is applicable on all invoices.

Wholesale pricing (25% discount) is offered on orders over 50 items of a variety of products, or 20 items of the same product and must be confirmed before the order is placed. For eligibility of wholesale pricing, contact orders@shanga.org.

Please note that we are unable to offer consignment to businesses and organizations who sell our products.

All orders require a minimum 50% deposit payment into our account before we begin producing the order.

Custom Designed items will be priced above standard catalogue products, taking into consideration design and development costs. Deposits for Custom Designed products are non-refundable.

We accept different forms of payment including bank transfer, PayPal, cash and cheque. For payment details, please contact orders@shanga.org.
